## SKILLS

**BACK END DEVELOPMENT** | • Python • Django • FASTapi • Express • NodeJS

**MISCELLANEOUS** | • Amazon AWS • MongoDB • PostgreSQL • Docker • Redis • Git /GitHub • Postman • API Handling • REST API

**FRONT END DEVELOPMENT** | • ReactJS • Redux • JavaScript • JQuery • Tailwind • HTML • CSS

**SOFT SKILLS** | • Team player • Bias for action • Deliver results

## EXPERIENCE

**VICTORY 11 | Django REST Framework, React, Tailwind CSS, React Native**

Final Year Project | Mar 2024 – Jul 2024

- Developed a web and mobile application using Django REST Framework, React, and React Native
- Designed responsive user interfaces with Tailwind CSS
- Implemented RESTful APIs for seamless communication between front end and back end
- Integrated mobile app functionalities using React Native
- Conducted user testing and iterative development to refine features

**SYNARES SYSTEM | Python, Django**

Python Django Intern | Jul 2023 – Oct 2023, Lahore

- Developed and maintained web applications using Python and Django
- Collaborated with senior developers on new features and functionalities
- Optimized database queries and improved application performance
- Assisted in integrating third-party APIs and services
- Participated in code reviews and enhanced code quality

**SOFTINI SOLUTIONS | ReactJS, Javascript**

React JS Intern | Jul 2022 – Oct 2022

- Developed and maintained front-end components using ReactJS
- Collaborated with designers to create responsive and interactive user interfaces
- Optimized components for maximum performance across various devices and browsers
- Assisted in troubleshooting and debugging front-end issues
- Participated in agile development processes and team meetings

## PERSONAL PROJECTS

**Currency Converter | API Integration, API Handling, React.js**

- Integrated external APIs for real-time currency exchange rates.
- Developed user interface components using React.js.
- Styled interface for visual appeal and usability.
- Tested for functionality and responsiveness.

**Postify Social App | Django**

- Developed social networking application using Django.
- Created features for posting updates and messages.
- Implemented join/follow groups between users.
- Designed and implemented news feed functionality.

## COURSEWORK

Django Web Development  
Data Structures and Algorithms  
Object Oriented Programming

## EDUCATION

**LAHORE GARRISON UNIVERSITY**

BS Software Engineering

July 2024 | Lahore

GPA: 3.0/4
